#### Obituary.

Herman E., son of Floyd and Mary Stetham, was born June 14, 1911, died Oct. 4, 1913, making a brief life of 2 years, 3 months and 20 days.

In the month of June of this year Jesus called a baby sister from their home. The stricken parents bowed in submission to His will. With tender love they found happiness in this sweet little boy, and today with bleeding hearts they are striving to say, "Thy will be done."

Little Herman was sick 1 week and 3 days. With remarkable patience he endured extreme pain and the weakened heart suddenly ceased and the little sufferer slept.

This dear little one had reached an interesting age, his bright active mind, sweet disposition, attractive ways endeared him to all. How lonely the home will be without him.
